
Free Download Game Sushi Chef

August 17, 2021 - Youda Sushi Chef is a fun time management game. Your main goal is to make your customers happy and serve them the right meals on time. The game has an intuitive interface. The menu consists of 15 items where you can choose dishes such as soup, rice, noodles, salad, rolls, sushi, snacks and drinks. There are 5 types of customers in the game who make orders. Each client needs a different approach. The game has 25 stages and 80 levels that get progressively more difficult. But don't be discouraged if you get stuck on one level. The game has 3 ways to solve the problem: open new coupons, invite a friend to the game or call for help.
