It's a patch for the game and actually three trainers the first trainer installs the crack for the game then it installs the second trainer and so on: Files: - Need for Speed Underground 2 v1.0 (CD free patch) - NFS Underground 2 v1.0 Patch (No-CD) - NFS Underground 2 v1.0 Patch Fix (No-CD) - Need for Speed Underground 2 v1.2 (CD free patch) - NFS Underground 2 v1.2 Patch (No-CD) - NFS Underground 2 v1.2 Patch Fix (No-CD) I decided to do it this way so you just have to download the first trainer then download the second trainer then download the 3rd trainer and so on. (I also did the same for NFS:Most Wanted 1 and 2) What's in the trainers: - The crack for the game - The patch for the game - The fix for the game - Each trainer is installer and they will not be there the next time u start the game. - It's the same for the patches I hope you like it:) All trademarks, registered trademarks, and service-marks mentioned on this site are the property of their respective owners.
