CONNECT WITH DIFFERENT PLAYERS Finding a new player whom you can connect to is an important part of the game. Each player has a unique life story, which is reflected through his/her equipment and class. You can acquire different equipment and then use it to set a new life story. World wide, there are vast numbers of players in the game, forming different communities. **CHOOSE YOUR PATH** You have free will to choose your own path. However, if you don't make the right choices, your characters will face problems. **A WORLD FULL OF ANIMATIONS** A simple animation created by Unity and a wide variety of drawings. In addition to the ability to see the facial expressions of other characters, you can look forward to the moving battle scenes in which you have to clear the enemies as you run to clear your path. A world full of animations makes the game a fun experience to watch. According to your play style, you can choose a Light, Normal, or Hard difficulty. **Grow Your Character** **LEVEL UP YOUR CHARACTER** Your character has power levelups when you reach a certain level. The level up event raises your character's stats and makes your daily life easier. **LEVEL UP EVENT** The level up event allows you to gain higher stats and give your character some support in the dungeon. **AUTO-MATCH** Do you think it's tough to connect with players in a large server? In the game, you will be able to make a new friend in a short amount of time by linking with another player on the same server. **AUTO-MATCH GAMEPLAY** You can freely customize the character's view to enjoy the dynamic action. You can freely combine the weapons, armor, and magic that you equip, allowing for a variety of play styles. In addition to your equipped equipment, you can use the newly acquired skills to increase your stats. You also have the option of raising your stats through loot drops. **QUICK ACTION** Shoot the enemy and learn a technique that will enhance your attack. You can connect with your comrades to help set up a strategy and complete a mission. You can play the entire game via a single touch by quickly connecting with your comrades. You can also use it to protect your life in a moment of stress. P

What's new in Elden Ring:

New Features

Little Female Character Model An elegant and cute girl will appear in the game. She is an inn neighbor whom you can talk to. Using your on-line chat conversation techniques, it's possible to have a one on one conversation with the girl.

Dancing Mode for on-line play For on-line play, you can dive into a world that is unreachable to other players, where players are presented with a new play style due to the ability to dance and sing.

Theme Parade Theme parade is a feature that is only available in the Box version of the game, in which three song masters play your favorite music and have been added as extras. Furthermore, a system that enables you to view and listen to a new song every day has been implemented. You can find the video here.

Choice of Four Different types of Training

Begin your training from the beginner's course to the advanced advanced course, in this game where you can choose to spend up to 40 hours you want to invest in this title. In here are four different types of training, from physical training to the advanced kunaesoryu course. First is the Physical Training. This "Komido"-style basic training provides low level skills such as attack, defense, shield, and hit points, as well as some training skills. The basic training is a series of three stages,
