Elder Scrolls Online is a massively multiplayer online role-playing game developed and published by ZeniMax Online Studios. Players enter a persistent virtual world in the role of one of three character classes-- Fighters, Wizards and Priests--and engage in turn-based battles against other players and in the persistent world. A beta version of the game was launched in the US and Canada in May 2011 and in Europe and Australia in September 2011. A second beta launched in the US and Canada in October 2011, and the full game was released in the US and Canada on February 14, 2012, and in Europe and Australia on February 17, 2012. * Due to the difference in the markets, game content may differ according to the game region. * A visit to our website at www.tesonline.com will provide you with more details about Elder Scrolls Online and allows you to download the game client. * ELDER SCROLLS ONLINE © 2010 ZeniMax Online Studios, Inc. Features Key:

Brain Age RPG - A new RPG experience that is simultaneously challenging and simple
Unique fantasy world - A vast world where unexplored areas and dungeons open up limitless possibilities
Customizable character - Choose to develop your character according to your play style
Choices with consequences - A perception system that informs the way you will progress in the game
A dramatic story - An epic drama in which you dive into the story with several parallel playthroughs
A free and open world - A vast world that is connected and open without artificial restriction
Online Multiplayer - Play with others in real time or set in an asynchronous environment
Local Multiplayer - Develop a party of up to four characters in real time on the same Nintendo Switch

How to play:

The game can be played in single-player or with up to three friends in either a normal multiplayer or online multiplayer configuration. There are two ways to register local multiplayer before starting the game:

- Local Multiplayer by Nintendo Switch *MILITARY-STYLE*: For the purpose of communication, the Party Members will always have the same voice in Japanese language.
- Local Multiplayer by Nintendo Switch *ENGLISH-STYLE*: The Party Members will all speak in English.
