The game system This game contains all the features of an action RPG. ♦ The class system of Tarnished Kingdom is very flexible. It allows players to freely combine the weapons and armor that they equip to develop their characters according to their play style. The class system Tarnished Kingdom features a very flexible class system that allows players to freely combine the weapons and armor they equip to develop their characters according to their play style. ♦ Four basic elements that make up the game world are "Weapons", "Armor", "Magic" and "Fortress". ■ Part I. Weapons The weapons that appear in this game consist of the Broadsword, Two-Handed Sword, Staff, and Shield. Using a weapon enhances the strength of one of the four classes. (Class rankings are determined based on the skills that weapons enhance.) ■ Part II. Armor The armor that appears in this game consists of the Helm, Shield, Chestplate, and Wrist. The armor enhances your evasion ability. ■ Part III. Magic The magic that appears in this game consists of Element 1 (Fire), Element 2 (Ice), Element 3 (Wind), Element 4 (Earth), and Elemental Tendency. The magic enhances your accuracy and attack power, and can be combined with the class element. ■ Part IV. Fortress The Fortress is a mythical building that can be built anywhere in the world. It provides a powerful Protection Factor to enhance your Strength, Stamina and Evasion when you enter the map as an adventurer. WORLD: The world map of Tarnished Kingdom The world of the game includes an overworld map and a large number of dungeons that you can explore. OVERWORLD The overworld map, consisting of sixteen sections, is a rather straightforward map that always shows the same view. Whether you are a main character or not, it offers various quests. You can earn points for both the completions of these quests and for defeating enemies, thereby increasing your overall level. Defeating an enemy will yield a variety of rewards. You can use these rewards to earn items that can be used to upgrade your weapons and armor. As you move throughout this map, you can collect bonus items that will affect your battle capabilities. You can equip the weapons and armor that appear in the game by utilizing these items. DUNGEONS

Elden Ring Activator 2022

"I enjoyed the HeroQuest-style combat, where the magic-using party has a spell caster who uses different spells to attack, and the melee fighters can hit as well as wield special weapons and armor. This all combines to make for a fun combat experience." GAMEPLAY FEATURES. • Character Creation with Attribute Points Create a character with four basic attributes, two skills, and their chosen class. On top of these basic characteristics, you can also invest attribute points to increase all stat values, including body, mind, and will. Each attribute point increases the target stat value by 1, up to a maximum value of 9 for body and 6 for will and mind. Even if the stat value is increased to the maximum, it does not change the character's actual strength. • Rise from Zero to Hero Your journey begins as a Tarnished. When you defeat the monsters in the Districts and enter the Gate of the Underworld, you are reborn as a Hero. Once your strength reaches a certain value, you can choose your classes and equip your characters and spells. You can even create and equip items and spells during the course of the game. • Skillful Strategic Battles Create a party of heroes and heroes, depending on the type of battle you will be encountering, and try to defeat the enemies in a smart way. Experience and attribute points increase based on the progress of the battle, so even a one-hit defeat doesn't ruin your game. • Discover the Lands Between You are free to travel and explore the various areas of the Lands Between as you please. Every area has a legend associated with it, as well as an NPC that will give you valuable information. • Prepare for the Battle Ahead Every adventure has its own difficulty level, allowing you to choose a difficulty that suits your level. You can customize your character, abilities, and skills to make the most of any combat situations. • A Rich, Dynamic Story that Molds Your Experience A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. • Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. ENDGAME and THANKS

Thank you for showing interest in Ark, it means the world to us. Ark owes a lot to the fans which helps the game grow and gain popularity. It is a difficult task to run a successful game because no one works alone. We have artists, technicians, production staff, and the dedicated development team to complete each releases. Each member is dedicated to their work individually and comes together to create a remarkable game for the players. We are proud of our game, thanks for noticing and we hope to see you in the game. If you want to raise awareness of Ark or influence the future of games like Ark, please become a part of our Freemium Warriors Club.

At Freemium Warriors Club, you can earn rewards, get discounts on articles, games and merchandise and other extra goodies. Ark and Ark related releases will be organized into segments. For example, the game was divided into chapters, the first of which is officially The Game, The Game+chapter, The Game+alpha-1. Before the full release, these chapters will be given to affiliates and start-ups which promote themselves and game in their region. We will also give something special once the release is complete. There will be chapters 2-
