What's new:

Game - Interview w: How many sessions will it take to beat Tomb of Annihilation? What (if any) are the hidden monsters? Find out in this point-blank interview with the Dungeon Masters of Team Daleth. Read below to find out.

rumpusmark: No cleanup requests for the last release. Ghost: Wasn't there supposed to be a question?

rumpusmark: Um... Ghost: Oh! Another one? And she's speaking in whispers. That'll raise 'em up a little bit.

rumpusmark: Um, how many sessions will it take to beat Tomb of Annihilation?

How many sessions to complete Player's Guide? Ghost: Wanna work the cloister?

rumpusmark: No. Lilith: Tell us what you need. Ghost: [sigh] I think it's a four-day timer, right? I'm not quite sure.

Anything more than that is going to start throwing off people's real-time frames. Ask the crew on the ship, over on the Endless Dawn. I'm pretty sure they've done a few of these.

rumpusmark: Ummm... Ghost: I'm pretty sure Gwillim is dead in this one.

rumpusmark: Um... Ghost: You know what? Hell, I'm going to scrounge up some sort of estimate. Maybe we can get together for a little chat.

rumpusmark: Uh, okay? Ghost: Sounds good. Lilith: Well, we have a real-life meeting to attend to, Mr. Jones.

rumpusmark: Yes, apparently, and it's confidential? Ghost: Yeah.

rumpusmark: Shall we meet later to get on the old rumpus? Ghost: Something like that.

rumpusmark: Good, 'cause I wanna

shoot the breeze again with one half of your party. Ghost: Okay. Where?
rumpusmark: Of course, not here, or anywhere with your real-life game group. Anywhere I can safely have a conversation. Anyway, mostly for my benefit. There's something I'd like to ask. Ghost: Can it wait? rumpusmark: Yeah. I' ll meet you
