If you're serious about online casinos then you may well be wondering just where to find the best online casinos. Unfortunately for you there is no 'best online casino is licensed in the country or even in the country which you live in. There are many countries with lax laws where online gambling is illegal, while others have stringent laws. This is because it's an offense to use the online gaming platform in the United States. This is where a web based casino with any US links no matter how small will be caught out. A regular internet or phone link to the internet could jeopardise your license, so a web based casino can give you the best online gaming convenience. For that reason, every web based casino has a country that they are licensed in. You'll also need to be aware of the currency used for online transactions. For example, many players will use currencies like the dollar or euro, while others will use the British pound, and a few use a credit card, although this may involve a hefty processing fee. Not all online casinos are the same, and there are some that are a lot more regulated than others. Checking to see what others have written c6a93da74d
