The format was invented by Nintendo as a fix for the original NES... ROM, Roms and roms are the number one choice of 80's and 90's fans when it comes to games. Many of us have our favorite games from that era and they are saved in our memories as strong trademarks of our childhoods. Of course, there are other options for backup...As Ravens guard Maxx Williams scratches the surface of his rookie season, he was taking advantage of the patience of star running back Derrick Henry. Henry has been the focal point of the Ravens offense for much of the last three seasons, but for six weeks in 2017, Maxx Williams took over as the lead back. At 6 feet and 227 pounds, Maxx was a power back that Henry respected — a running mate with a few tricks up his sleeve. “He’s a great running back and he’s been great to work with,” Henry said. “He’s worked hard and he’s always been like a brother to me. He’s a good dude. He can block, he can run, he can catch. He’s everything you want in a running back.” Maxx had some success in the run game during his time as a back-up for Henry. His 723 yards rushing in five games and an average of 5.0 yards per carry is a far cry from last year’s numbers (549 total yards) but he made the most of his limited chances. “I was always in the game plan,” Maxx Williams said. “We had a lot of success with the one-back, two-back packages. I’m used to that. It’s something I’m used to doing in practice, playing against other teams. Coach Henry put me in the game plan a lot of times. The more I played, the more comfortable I got. “I just want to become a complete back.” In addition to practicing as the first option,
