She was a guest star in several drama series such as Pare Ko, Tinig, Inday Rapido, Kambal, Bayani,.Re: The Birth of an Idea: Meteorology and Meteorology did not Save the Aussies it had Its Own Life. The notion that meteorology is a "game changer" is a misguided fantasy. It will never be a game changer. The ideas of meteorology are just tools, which we happen to use to approximate a goal. The most brilliant uses of meteorology are in the development of pragmatic solutions for saving lives and property, not in hypothetical fantasies about its future. Meteorology, and climatology, are there to answer the question "Where is the wind blowing?" And the answer can be succinctly answered by saying "All points of the compass." And of course, we can be accurate to 1° or even less, but without these instruments, we would have no hope of being accurate. Of course, we also have and can be very accurate with the measurements of variables such as barometric pressure, and temperatures for areas that are located remotely. But these aren't game-changers. Quote Well Time Lapse. I would say that for that I do not think a day is a game-changer because people have died for far less than that, and that is all that it amounts to. It is a farce to say that it is a game-changer because people seem not to want to disagree with
